MICHAEL- Baby of the Darlings. Very obstinate.

NANA- Prim Newfoundland dog. Nurse of the Darling children. Caring and thorough.

NIBS: Happy and debonair.

SLIGHTLY- Most conceded of the bunch. Feels he remembers the days before being lost and their manners/customs.

CURLY- A person who gets in predicaments.

TWINS- Keep close together. Can't be described because no one knows which one they are describing.

GENTLEMAN STARKEY- Pirate. Once an usher in a public school and still dainty.
SMEE- Irish pirate. Genial in nature. Only non-conformist in Hook's crew. Pathetic.

JAMES HOOK- Captain of the Jolly Roger. Calls himself Jas. Lost his right hand to Peter and now wears a hook. Long curly hair. EYES blue as the forget-me-nots. Grand manner. Never more sinister than when he was most polite. Elegant diction. Man of indomitable courage. He only feared his own blood and Tic Toc Croc. Must always have good form as he has learned in school.

TIGER LILY- Neverlandian.

ENSEMBLE: Additional Pirates and Neverlandians.
